

Guidance for Matches

Set out below are the guidelines that need to be followed when visiting Basingstoke Hockey Club (BHC) during this phased return to play. To keep our members, coaches, officials and visitors safe, please read these guidelines carefully.

All players, officials and coaches must maintain social distancing before and after the hockey match/session. Spectator groups must be restricted to discrete six person gathering limits and spread out, in line with wider Government Guidelines.

All visiting hockey clubs must follow the EH Guidance issued on 7 August and be responsible for their own representatives including spectators on the BHC pitches and clubhouse.

Full guidance can be found on the website here: <https://basingstoke-hockey.com/wp-content/uploads/2020/08/BHC-Track-and-Trace-Guidance-Version-1.4.pdf>

BHC's Covid Officer is Ian Pett (bhcclubcaptain0@gmail.com).

Before each match, teams should notify each other of the Club's Covid Officer contact details and the team's Covid co-ordinator. In the absence of such information it will be assumed to be the captain for adult teams and the coach in the case of any U18 team.

Currently post-match teas and changing facilities are not available at Down Grange.

Toilet and refreshments are available on the first floor of the Pavilion. Please adhere to the guidance and signage should you enter the building. Scan the QR code for track and trace and follow the one-way system to exit the facility over the outdoor area and down the fire exit stairs. In inclement weather they can be slippery so please take additional care.
